

Environmental Activism

Total Time: 20 minutes

1. Watch: [Greta Thunberg's "School strike for climate – save the world by changing the rules" TedXStockholm 2018 Talk \(11 minutes\)](#)
2. Discuss:
 - a. Why do you think global warming is such a difficult problem to solve?
 - b. Greta said, "Instead of looking for hope, look for action. Then, and only then, hope will come." Do you agree with this idea? Why or why not?
3. Challenge: What is one action you can take to be part of the solution?
