

## Listening

Total Time: 20 minutes

1. Watch: [Oprah Gets Interviewed by Kid Reporter Jaden – Extended Cut \(5 minutes\)](#)
2. Discuss: What makes Jaden Jefferson a good interviewer?
3. Challenge: In Changemakers, we talk about how important it is to listen and learn from those around us. Interview three people in your life (preferably people you aren't in the house with). Come up with a set of questions and record their answers. These questions can be impact-related or simply personal. What patterns have emerged? Why do you think listening is an important tool for changemaking?
4. Afterwards: Learn anything interesting that might lead to an impact project? If so, email [jake@leadershiptulsa.org](mailto:jake@leadershiptulsa.org) with your findings. It's never the wrong time to make a positive impact!
